Fashion:

is a synonym for glamour, beauty, and style. It is a mode of expression. We deal with it every day, it is part of who we are and how we are perceived. Even when we "don't care," the clothes we put on in the morning say a lot about us and how we feel.

Express

Nine West

Lucy Qu

Is in the College of Liberal Arts and majoring in Psychology. She is taking many biology classes as well. She's very studious but kicks back with reality tv shows and her roommates.

She's wearing a gray long sleeved t-shirt dress, black tights, and a necklace. It's a great date night dress, or perfect for an interview with a potential employer. Lucy however is representing it at its finest, an outfit for an upcoming holiday party.

Science and Engineering

College of

Asa Bielenberg

Is in the College of Science and Engineering at the University of Minnesota Twin Cities. He is majoring in Chemical Engineering. Asa knows how to study, and gets his math problems and chem homework done in a far more timely manner than most college students. He also is a DJ for Radio K.

He's wearing a blue party tank, yellow shorts and white horse hair shoes. Its an ensemble for the summer time, for playing frisbee and talking to girls.

Carlson School of Management

Jin (Cynthia) Hang

Is in the Carlson School of Management at the University of Minnesota Twin Cities. She is undecided major wise, and doesn't really have a clue what she's planning on doing. She takes her classes, and likes to puzzle, stumble and bake.

She's wearing a white dress, with black flowered tights and red plaid pumps. It's a cute little number good for doing puzzles, going on a date, or even baking cookies, though she wouldn't let me show that ;)

Joe Williams

Is in the College of Science and Engineering at the University of Minnesota Twin Cities. He is majoring in Chemical Engineering. He does math with ease, and gets all the science mumbo jumbo. He likes his old school rap, and loves telling people all about it.

He's wearing a blue quarter zip sweatshirt, khaki pants, and brown shoes. It's an outfit for walking around on a blustery fall day or maybe hanging out with friends watching Death Note.

Liberal College of Arts

Kara Harms

Is enrolled in the College of Liberal Arts, as well as the School of Journalism & Mass Communication at the University of Minnesota Twin Cities. She is an Art major and an Advertising major. She's a multitalented artist who's favorite is photography.

Kara is wearing black jeggings, black combat boots, a white long sleeve t-shirt, a cream vest, and a white bandana. It's all covered in clay due to her current enrollement in ART 1801: Ceramics, and is great for throwing pots or running errands.

Science and Engineering

College of

Ben Bachmeier

Is enrolled in the College of Science and Engineering, although he doesn't really want to be, at the University of Minnesota Twin Cities. He is considering majoring in Math. He likes the finer things in life, and readily enjoys the opportunity to be classy.

He is wearing a blue pinstripe button up shirt, a gray sweater, knit hat, black snow boots, a U colored scarf, and yellow leather gloves. It's an outfit for when it just started snowing as you're coming home from class, and you need to shovel the walk as soon as possible.

School of Journalism & Mass Communication

Melanie Richtman

Is enrolled in the School of Journalism at the University of Minnesota Twin Cities. Her major is Public Relations. She needs to understand public opinion, trends and style.

She's wearing a long tunic sweater, black pleather leggings, and peep toe heeled clogs. Her style is casual, but still trendy. It's an outfit perfect for going to class or just hanging out with friends.

Reese Weber

Is in the College of Science and Engineering at the University of Minnesota Twin Cities. He is majoring in Chemical Engineering. He does math and goes to lab. He likes soccer, video games and drinking. He kind of wants to be a trophy husband.

He's wearing a blue dress shirt, black dress pants, a black and blue striped tie, soccer shoes, and a Budweiser hat. It's a good outfit for when you have to be formal and really don't want to be.

Biological Sciences

College of Sciences

Olivia Burger

Is in the College of Biological Sciences and majoring in who knows what with plans for an ever changing future. She is very productive, but always makes time to help her friends and roommates.

Her outfit consists of a navy and white striped t-shirt, rust orange jeans, gray Tom's shoes, and a clock necklace. It's an adorable ensemble, great for the spring time. Wearing it while shopping at the local farmer's market, or perusing the shops downtown, would be ideal.
